自動ドア用防護柵

A diagram of a rectangular frame with a light blue interior. The frame is defined by a dark blue border. At each of the four corners, there is a small, dark blue, L-shaped support or clip that appears to hold the frame in place. The entire diagram is enclosed within a larger, light blue rounded rectangle.

A cartoon illustration of a man and a child walking through a doorway. The man, on the left, has brown hair and is wearing a blue t-shirt and tan pants. He is walking away from the viewer. The child, on the right, is wearing a blue cap, a green long-sleeved shirt, and red shorts. The child is walking towards the viewer. The doorway is framed by a light blue wall.

A cartoon illustration of a man with brown hair, wearing a teal t-shirt and tan pants, walking towards a revolving door. A boy with brown hair, wearing an orange cap, a white t-shirt, and a red backpack, is standing in front of a sign that says 'EXIT' and is looking at the man. The revolving door is made of glass and metal, and the background is a simple yellow wall.

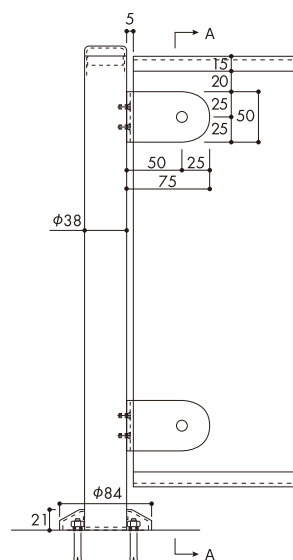

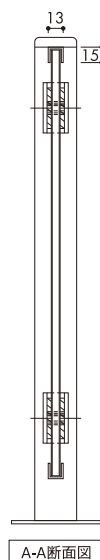

A cartoon illustration of a man and a child walking through a doorway. The man, on the left, has brown hair and is wearing a yellow t-shirt and blue pants. The child, on the right, is wearing a blue cap, a green t-shirt, and black shorts. They are both walking towards the right, away from the doorway. The doorway is framed by two white door frames. The background is a solid light yellow color.

A cartoon illustration of a person with brown hair, wearing a teal long-sleeved shirt and brown pants, standing in front of a large glass door. The door is yellow, and the person is looking at it. The background shows a building with blue windows and a grey sky.

A cartoon illustration of a person with brown hair, wearing a teal long-sleeved shirt and brown pants, standing in a doorway. The person is looking out of the doorway. The doorway is framed by a grey structure, and the walls on either side are light blue. The floor is a light greyish-blue.
